Orde Hamel L

Sept 1910

September 20th, 1913.

Mr Garnet L. Orde

210 Bloor Street, East

Toronto

Dear Mr Orde:

I have your letter requesting the University to make allowance on your Matriculation Examination with a view to entering the First Year in Medicine, and in case this should not be granted, requesting permission to take one or more subjects, such as Anatomy, as an Occasional student of the First Year. I will lay the matter before the Committee in charge and the professors interested, and will let you know as soon as possible whether your requests can be granted.

Yours sincerely,

President.
